

parents newsletter

19th September 2014

Dear Parents

I have spoken to a number of new parents to the school already this term and I would like to thank you all for your interest in your child's learning. If you do have any questions please don't hesitate to get in touch, you can also contact your class teacher(s) for help with any queries.

Our Sparrowhawks are flying back from their adventurous week in Lincolnshire and we look forward to hearing about their escapades. Meanwhile our Hedgehogs will be looking forward to their trip to Grafham Water in the next few weeks.

Kind Regards
Christine Davy
Headteacher

Foodtastic!

A significant number of our children have taken up their opportunity for free school meals. We have a great team of cooks at Brooklands who do sterling work providing fresh meals for our children (and me) daily.

If your child is in Early Years or Year 1 or 2 all they need to do is tell their teacher they would like lunch.

Governors

We have a parent Governor vacancy which I hope some of you will put yourself forward for election. This is an ideal opportunity to get involved in the activities in your child's school as well as influence the future of Brooklands.

If you are interested in finding out more please don't hesitate to contact me. All nominations should be returned by midday September 29th.

Parking

Many of you might have noticed the new signage around the carpark indicating disabled and restricted parking. Can I remind parents there is a layby at the front of the school for drop off and pick up, only those holding a Blue Badge or Brooklands Badge may park inside the school car park between 8.00am and 5.00pm. This also applies to Brooklands Young Explorers.

School Council

A boy and girl from each class have been elected as representatives on the School Council.

Bumblebees: Imogen and Alex
Rabbits: Lucy and Billy
Squirrels: Aimee and Joel
Badgers: Leah and William
Hedgehogs: Olivia and Damon
Sparrowhawks: Lily-Mai and Charlie

Underneath the Undergrowth

The outdoor learning area has been rejuvenated over the past few weeks thanks to all the hard work of our parent volunteers coordinated by Gill Mc Farland (Tam Harvey, Jo Jolly, Caroline Taylor, Ailsa Meader and Eva Philips). By clearing the geology garden of undergrowth we have now been able to install two adventure dens for the children.
