

To enable our children to be the best they can be.

With the children at the **HEART** of our school we:

Have **high expectations** that we will work hard in order to get better.

Enjoy bringing learning to life through discovery, fun and adventure.

Stimulate children's **aspirations** to help them build skills for life, and to strive for excellence.

Promote **respect** and understanding of ourselves and others.

Encourage our children to challenge themselves and **try new things**.
