

19th May 2017

Dear Parents,

Whilst September might feel like many months away I am sure that the summer will fly by and I thought it might be helpful in your preparations for the coming teaching term, to offer a little introduction to your child's new class teacher.

One of our experienced teachers, Pippa Wake, will be teaching your child in September. Pippa has been a strong member of the Brooklands' team for more than 3 years and is our Key Stage 2 leader, with responsibility for mathematics across the whole school. Pippa is one of our teachers with exceptional talent, which has also been recognised beyond Brooklands; as such, she supports other schools in her capacity as a Specialist Leader in Education.

Pippa is very much looking forward to teaching your child in the coming year and bringing this year alive with new topics, as they progress through their learning in Year 6.

Your child will have the opportunity to attend a transition afternoon on July 5th where they will be able to meet Pippa and spend time in their new classroom and find out more about the many and varied topics that your child will be learning about. There will also be time after the transition afternoon for parents to meet Pippa between 3:30pm and 4:15pm.

If your child has any special educational needs Mike will be arranging with Pippa to attend your child's Educational Plan review meeting in July. You will also have the opportunity to speak and share information about your child with Pippa.

If you have any concerns about next term please do not hesitate in contacting me at school to discuss them.

With best wishes,

Christine Davy
